Instructions

hot dog roller grill

WARNING Connect the cord to a suitable outlet and be certain no other equipment is operating from the same outlet.

Failure to do so will reduce the unit's output and performance.

- Place hot dogs on rollers.
- Turn heat to designated temperature. Left knob controls the heat of one set of 5 rollers and the right controls the other set of 5 rollers.
- For low capacity, set on low using one or both sets of rollers.
For high capacity, set on high or medium using both sets of rollers.
